## AMENFIMAN RURAL BANK PLC

Amenfiman Rural Bank Plc, based in Wassa Akropong, has served Ghana for 45 years, growing into a leading rural bank with 18 branches, 6 mobilization centers, and over 600 employees across four regions. From 2014 to 2024, it grew its assets from GHS 73

million to GHS 1.8 billion and deposits from GHS 59 million to GHS 1.55 billion—becoming the first rural bank to achieve these milestones. Under the leadership of Dr. Alexander Asmah and Board Chair Dr. Anthony Aubynn, the bank has invested heavily in infrastructure and MSME support, including GHS 500 million in loans and partnerships for women and youth-focused financing. It maintains a GHS 500 million loan portfolio centered on SMEs and agriculture, especially cocoa. With GHS 190 million in net worth and numerous awards in 2024, Amenfiman continues to deliver outstanding services, CSR contributions, and sustainable development while maintaining strong financial growth and customer trust.

## ANKOBRA WEST RURAL BANK PLC

Ankobra West Rural Bank PLC was incorporated on 14th day of January, 1977 and was licensed to do the Business of Banking on 10th June, 1977 at Esiam, in the Ellembelle District (formerly Nzema East District) as the fourth Rural Bank among the first set

of Rural Banks in Ghana and the first Rural Bank in the Western Region. It was authorized to do banking business by the Banking Act 1970, Act 339.

## EDU HERBAL CLINIC

Edu Herbal Clinic, established in 2013, is a Ghana-based healthcare system committed to delivering quality care across Ghana and Africa through organic herbal medicine. With its headquarters in Mankessim and branches in Bolgatanga and

Kasoa, the clinic has successfully treated over 28,204 patients between 2013 and 2017. Its core specialties include stroke, asthma, infertility, impotency, diabetes, kidney disorders, hepatitis, malaria, STIs, and more. The clinic's dedication to holistic healing earned it numerous awards, notably the \*Best Stroke Hospital\* at the 2017 Ghana National Herbal Awards and \*Best Herbal Clinic for Public Health\* at the 2018 World Changers Summit in Dubai. It also received accreditation from the United Nations Economic and Social Council (ECOSOC) in 2018. Known for its professionally trained staff and patient-focused services, Edu Herbal Clinic provides excellent inpatient and outpatient care in a welcoming environment, striving to be a leader in herbal healthcare across the continent.

## SUNON ASOGLI POWER (GHANA) LTD.

Sunon Asogli Power (Ghana) Limited is Ghana's first successful Independent Power Producer (IPP) and China's largest investment in the country. A joint venture between Shenzhen Energy Group (60%) and the China-Africa Development Fund

(40%), it plays a critical role in Ghana's energy landscape. The company developed a 560MW natural gas-fired power plant in two phases, completed in 2010 and 2017, contributing 10–15% of Ghana's total power generation. With a strong focus on sustainability, it is expanding into renewables with a 200MW solar project in the Savannah Region and a wind project in Ada, alongside a planned 500MW Phase III gas plant. Sunon Asogli upholds high safety and efficiency standards through international systems like 7S and NOSA. Its robust CSR efforts support education, healthcare, infrastructure, and disaster relief, particularly in the Kpone community. The company's mission is to secure energy sustainability for Ghana and Africa through clean, efficient, and reliable power solutions.

## RAMOTH SERVICES LIMITED

Ramoth Services Limited is a fully Ghanaian-owned company, incorporated and established in 1975 in Ghana. The company was initially registered as a mine support services provider to the mining industry in Ghana and West Africa. Over the years,

Ramoth's operations have been diversified to include mining activities such as managing and operating open pits for surface mining, construction and management of tailings dam sites. In 1998, Ramoth was fully integrated as a civil engineering company. Ramoth Services Limited is the most visible and reliable brand for safe and quality civil and geotechnical engineering services, mine support services, and plant and equipment leasing in the mining industry.

## COMPU GHANA LIMITED

With over a 17 years of experience and expertise in the IT industry, CompuGhana has established itself as a leading technology solutions provider in Ghana. Our success is driven by a passion for innovation, a skilled team, and a diverse range of products from

top global brands, carefully selected to meet our clients' needs. We offer a comprehensive portfolio of products and services tailored to individuals, corporate clients, government institutions, and SMEs. As we continue to expand our operations, we now boast 15 branches across major cities in Ghana, including Accra, Tema, Takoradi, and Kumasi. Our dedicated corporate departments ensure exceptional service and support to our corporate clients. We are excited to introduce our Business Solution Smart Security, a cutting-edge security system designed to protect businesses of all sizes. This integrated solution combines advanced video surveillance, access control systems, and alarm monitoring to provide a tailored security solution that meets the unique needs of each business.

## KENPONG TRAVEL & TOURS LIMITED

Kenpong Travel & Tours Limited is a leading Ghanaian-owned travel agency based in Accra and part of the Kenpong Group. Established over a decade ago under the leadership of CEO Mr. Kennedy Agyepong, the company is renowned for its

professionalism, efficiency, and innovation. It offers a wide range of travel services, including airline ticketing, hotel bookings, car rentals, visa support, airport protocols, and tailored tour packages both locally and internationally. Known for its 24/7 customer support and competitive rates, Kenpong maintains strong partnerships with major international airlines in Ghana. The company is also a recognized player in sports tourism, having organized travel logistics for major events such as the 2014 FIFA World Cup in Brazil, the 2022 World Cup in Qatar, and the 2023 Africa Cup of Nations in Côte d'Ivoire. These services include visa processing, flights, accommodations, match tickets, and transport for fans and officials.

## BCK PAINTS

At BCK Paints we are passionate about transforming spaces with color and texture. As a leading manufacturer of premium textured paint and high-quality acrylic paints, we bring innovation, creativity, and durability to every stroke.

Our mission is to inspire your artistic journey, whether you're a homeowner, a professional painter, or a DIY enthusiast. From homes and workplaces, to infrastructure and precious landmarks, BCK's market-leading brands are trusted by consumers and professionals alike to help build a better world.

## MINNING TOOLS GHANA

The entity provides specialized technical and equipment training services, with a focus on the mining, quarry, and oil/gas sectors in Ghana and internationally. Since its inception, it has successfully trained individuals who have secured employment across these

industries. The training program covers both technical and soft skills, offering a comprehensive curriculum in mechanized mining engineering and operations. Key components of the training include the use and handling of anchors and related strata control tools, stressing equipment, grout equipment, portable drilling equipment, drill bits, drill rods, reamers, wire meshing, and shotcrete application. By equipping trainees with industry-relevant knowledge and hands-on skills, the entity plays a crucial role in workforce development and supports the demand for skilled labor in energy and extractive industries. Its graduates contribute significantly to operational efficiency and safety in mining and drilling environments.

## CHASE PETROLEUM GHANA LIMITED

Chase Petroleum Ghana Limited is the first bulk distribution company in Ghana, specializing in the trading, storage, transportation, and distribution of petroleum products such as Gasoline, Gas Oil, Crude Oil, Aviation Turbine Kerosene (ATK),

Light Cycle Oil, and LPG. Serving both Ghana and some landlocked West African countries, Chase is active across the petroleum value chain and offers advisory services to refineries and stakeholders in crude oil supply and offtake. The company's dual vision is to be the leading bulk distributor and to invest in petroleum infrastructure like storage and pipelines. Through customer-focused strategies and regulatory engagement, it delivers cost-efficient, long-term solutions. Chase Petroleum is also committed to community development, supporting local charities and hiring local talent. Guided by core values—ideas, passion, ethics, strength, and vision—the company fosters impactful relationships with clients, shareholders, and communities, aiming to add value at every level of the energy supply chain.

## VANGUARD ASSURANCE COMPANY LTD

Vanguard Assurance Company Limited began operations in October 1974 as a composite insurance company and has the enviable record of being the first private indigenous insurance company in Ghana. At inception, Vanguard offered only two

classes of business – Life and Fire. Over the years, the company diversified its product portfolio into a one-stop composite insurance company underwriting all the major classes of Life and Non-Life insurance. Today, Vanguard Assurance is a subsidiary of the Vanguard Group, underwriting only non-life insurance. As a pacesetter, Vanguard Assurance played a leading role in establishing the several successful companies.

## THE BUILDERS MARKET

The Builders Market is a trusted supplier of premium sanitary wares and bathroom products in Ghana, with over 30 years of experience in the industry. The company is known for transforming bathrooms into elegant personal spaces by offering

high-quality, innovative, and aesthetic solutions. Serving both developers and individual clients, The Builders Market represents top international brands such as Geberit Sanitary Wares ("Design meets function"), Perfect Bathroom Products ("Total Bathroom"), and McAlpine Plumbing Products ("Professionals choose McAlpine"). With a strong reputation for reliability and quality, it continues to lead in delivering modern, functional bathroom solutions. Located at 25 Dantu Street, North Industrial Area, Accra, the company is accessible through phone, WhatsApp, social media, and its website: [[www.thebuildersmarketgh.com](http://www.thebuildersmarketgh.com)](<http://www.thebuildersmarketgh.com>).

## ESKAY LIMITED

ESKAY, a home appliance brand owned by Bright Arista International Limited, was launched in Ghana with a mission to offer high-quality, affordable appliances tailored to the diverse needs of families. Known for its durable and reliable products,

ESKAY quickly gained a strong reputation in the Ghanaian market and has since expanded its reach across West Africa. The brand emphasizes customer satisfaction through competitive pricing, exceptional after-sales service, and continuous product improvement. ESKAY's vision is to become the preferred home appliance brand for families across the region and beyond, delivering innovative and dependable home solutions. With a commitment to long-term customer relationships and accessible pricing, ESKAY aims to enhance everyday living through products that provide exceptional value. As the company grows, it remains dedicated to making quality home appliances available to more households, reinforcing its position as a trusted name in home comfort and convenience.

## AMARIS TERMINAL GHANA LIMITED

Amaris Terminal Ghana Limited is licensed by Ghana Ports and Harbours Authority and recognized by the maritime industry as a dedicated export and UCL container terminal providing all terminal & End-to-End Logistics related services. We are a

company dedicated to providing top-notch container and logistics services to businesses of all sizes, regardless of their location or industry. Our experienced and knowledgeable team works tirelessly to ensure that every shipment is handled with care, attention, and professionalism.

## TOTAL ENERGIES MARKETING GHANA PLC

TotalEnergies Marketing Ghana PLC, a subsidiary of the TotalEnergies Group, has been a key player in Ghana's downstream oil and gas industry since 1951. Originally established as Total Oil Products Limited, the company has evolved through

mergers and acquisitions and is now listed on the Ghana Stock Exchange. With a network of 273 service stations—128 of which are solar-powered—Total Energies offers a wide range of petroleum products and energy services across the country. The company supports over 6,000 jobs and contributes significantly to Ghana's tax revenue. Beyond its core operations, Total Energies is known for impactful corporate social responsibility programs, including the Young Graduate Program and the Start upper of the Year Challenge, which support youth development and entrepreneurship. Committed to innovation and sustainability, Total Energies Marketing Ghana PLC continues to provide safer, efficient, and customer-focused energy solutions, reinforcing its role as a trusted and forward-looking energy provider in Ghana.

## MASS LOGISTICS GHANA LIMITED

Mass Logistics Ghana Limited is a wholly Ghanaian-owned company established in 2005 to provide shipping and freight forwarding services. Starting with a single office in Takoradi, the company has grown to operate three offices across Ghana,

delivering comprehensive, cost-effective, and secure logistics solutions. It specializes in customs brokerage, project cargo handling, transportation, warehousing, and international shipping, offering tailored door-to-door delivery services within Ghana and the West African region. Mass Logistics is a member of key local associations such as the Ghana Institute of Freight Forwarders (GIFF) and the Ghana National Chamber of Commerce (GNCC). Internationally, it is affiliated with reputable networks including FIATA, WCA, ITC, and OPCA, enabling a strong global presence across air and seaports worldwide. Known for its proactive and innovative approach, Mass Logistics is committed to service excellence, leveraging its global connections and industry experience to meet the evolving freight and logistics needs of its clients.

## MCDAN AVIATION

McDan Aviation is a trailblazer in West Africa's aviation landscape, delivering bespoke solutions in private jet charter, ground handling, executive handling and Fixed Base Operations (FBO). Headquartered in Accra, Ghana, we are celebrated for unmatched

service quality, operational precision and an uncompromising focus on safety. Our world-class private jet terminal at Kotoka International Airport sets the standard for luxury, discretion and efficiency. With a client-first approach, strategic partnerships and a bold vision for regional integration, McDan Aviation is redefining business aviation across Africa—connecting leaders, accelerating commerce and shaping the skies of tomorrow.

## GOLDEN STAR WASSA LIMITED

Golden Star Wassah Limited is a gold mining company in Southwestern Ghana, operating since 2003. It began surface production in 2005 and achieved commercial production at Wassah Underground on January 1, 2017, transitioning to an

underground-focused operation in early 2018. In January 2022, Wassah was acquired by Chifeng Jilong Gold Mining Co. Ltd. (Chifeng Gold), a Shanghai Stock Exchange-listed company with over five operating mines in the Asia Pacific region. This acquisition aimed to elevate Wassah's growth to 300 koz/year. Chifeng Gold is committed to investing in and optimizing Wassah's underground and surface operations to fully realize its potential.

## OMNIBSIC BANK GHANA

OmniBSIC Bank is a universal bank in Ghana, formed through the successful merger of OmniBank and Sahel Sahara Bank in response to the Bank of Ghana's 2017 banking sector reforms. Headquartered in Accra's Airport City, the bank operates 40 branches nationwide, offering a full suite of banking services to individuals, SMEs, and corporations. OmniBSIC is committed to integrity, transparency, and compliance with regulatory standards, investing heavily in corporate governance, infrastructure, staff development, and digital solutions to enhance customer experience. Its strategic focus on technology and employee competence drives innovation and service excellence. Over time, OmniBSIC has demonstrated notable improvements in financial performance and operational capacity, earning multiple industry awards, including Bank of the Year (2024), Best Customer-Centric Bank (2022), and SME Bank of the Year (2024). Guided by its vision to lead in customer service and value creation, the bank continues to support communities and drive sustainable growth in Ghana's financial sector.

## TANG PALACE HOTEL

Tang Palace Hotel is a 4-star facility opened since August 2015 and located close to the Gold House, Borstal Avenue, Roman Ridge. It is equipped with 116 luxurious rooms, conference and events facilities, 2 themed restaurants, swimming pool, gym & Events Centre. It is 5 minutes' drive from the Airport.

## BAYPORT SAVINGS AND LOANS

Bayport Savings and Loans PLC began in 2003 as Ghana Financial Services in Otuasi, pioneering a deduction-at-source lending model with AngloGold Ashanti. Over the years, it evolved through strategic partnerships and the acquisition of Consumer Finance Company (CFC), rebranding as Bayport. Today, Bayport serves over 100,000 customers, mainly government sector workers, holding about 16% of the market share in deduction-at-source lending. With a staff of 230 and over 1,000 sales agents, it boasts a GHS 900 million balance sheet and nearly GHS 300 million in annual gross income. Bayport is a key player in Ghana's corporate bond market, having raised and listed GHS 474 million in bonds since 2016. Its vision is to drive financial inclusion for the formally employed, with a strategic focus on digital transformation. Bayport remains committed to ethical standards, strong governance, and leveraging technology to become a fully digitized, customer-centric financial institution.

## LETSHEGO GHANA SAVINGS & LOANS PLC

Letshego Ghana Savings & Loans PLC is a leading financial services provider in Ghana, providing innovative solutions to individuals across the public and private sectors, as well as supporting Micro and Small Entrepreneurs. Our business first

opened its doors in September 2010 as African Financial Services (AFS) and later rebranded as African Finance Business (AFB) in 2013. In 2016, AFB Ghana was wholly acquired by Letshego Africa Holdings Limited, Africa's largest payroll lender, headquartered in Botswana. The business has since grown steadily serving over 6 million customers through strategic partnerships, innovative technology and digital delivery channels. Currently Letshego Ghana is one of the largest Savings and Loans companies in Ghana with regards to customer numbers and is considered one of the fastest growing financial institutions.

## AFRICA WORLD AIRLINES (AWA)

Africa World Airlines (AWA) is a proudly Ghanaian airline dedicated to delivering safe, reliable, and affordable air travel across West Africa. AWA currently operates scheduled services to key domestic destinations such as Kumasi, Tamale, and Takoradi,

as well as international routes to Lagos and Abuja in Nigeria. Supported by a highly professional team, a modern fleet, and a strong safety record, AWA has earned a reputation as one of the region's leading carriers. As part of its strategic growth, AWA is actively preparing to launch services to Ouagadougou, further strengthening its regional network, enhancing connectivity, and supporting economic integration throughout West Africa.

## FRIMPS OIL GHANA

FRIMPS OIL is a Ghanaian Oil Marketing Company committed to the efficient and effective distribution of high-quality petroleum products to consumers in Ghana and beyond. The company leverages advanced technology to deliver superior customer

service while maximizing value for shareholders. With a strong focus on reliability, innovation, and customer satisfaction, FRIMPS OIL aims to set itself apart in the competitive petroleum industry. Its operations are built on a foundation of quality assurance and technological advancement, ensuring that customers receive consistent value. The company's vision is to become a leading petroleum marketer in Ghana and across West Africa by offering products and services that provide true value for money to both customers and stakeholders. Through strategic growth and a customer-focused approach, FRIMPS OIL continues to build a reputation for excellence, positioning itself as a trusted name in the regional oil and gas sector.

## KEDA (GHANA) CERAMICS CO. LTD

Keda (Ghana) Ceramics Co., Ltd, established in 2016 in Aboadze, Western Region, is Ghana's largest manufacturer of ceramic tiles and sanitaryware. Operating six tile production lines and one for sanitaryware, Keda produces internationally certified brands—

Twyford, Micasso, and Francia—known for their quality, durability, and diverse designs. The company exports around 70% of its products to Africa, Europe, and the Americas, significantly contributing to Ghana's foreign exchange earnings. Employing 4,500 Ghanaians and 250 Chinese staff, Keda has created over 10,000 indirect jobs and promotes technology transfer through training programs that have enabled 35 local managers to replace expatriates. The company is also deeply committed to corporate social responsibility, supporting schools, hospitals, and underprivileged communities. Keda's excellence has earned it multiple awards, including the 2023 Best Industrial Enterprise Award, Best Construction Industry Award, and the President's National Export Achievement Gold Award, affirming its impact on Ghana's industrial growth and socio-economic development.

## ACCRA MARRIOTT HOTEL

Accra Marriott Hotel stands as the epitome of luxury and convenience in Ghana's vibrant capital. Nestled in the prestigious Airport City, just a stone's throw from Kotoka International Airport, this 5-star haven promises unparalleled comfort and memorable experiences. Guests will appreciate the modern amenities, including complimentary Wi-Fi, a state-of-the-art gym, and an inviting outdoor pool with breathtaking city views. The exquisitely designed rooms offer a serene retreat, while the culinary delights at Red Red Restaurant, Sanbra Bar, and Fammy's Poolside cater to the most discerning palates. For business or leisure, Accra Marriott Hotel ensures a seamless stay with versatile event spaces and outdoor areas, perfect for any occasion. Experience wonderful hospitality always at Accra Marriott Hotel.

## PHOENIX INSURANCE

Phoenix Insurance is dedicated to providing peace of mind through reliable, innovative, and customer-focused general insurance services. With an impressive claims payment record, the company offers a wide range of insurance products including

motor, fire, accident, marine, engineering insurance, bonds, and customized solutions tailored to client needs. Phoenix distinguishes itself with a personalized and engaging service culture that prioritizes client satisfaction at every stage. True to its name, the company continues to rise and thrive in Ghana's insurance landscape, aiming to exceed customer expectations with every interaction. With a focus on trust, relevance, and responsiveness, Phoenix Insurance is positioned as a dependable partner for individuals and businesses seeking comprehensive insurance coverage. Whether for everyday needs or specialized risks, clients are encouraged to engage with Phoenix and experience service that is both delightful and professional—making it a growing force in the industry committed to long-term client relationships and operational excellence.

## FIRSTBANK GHANA LTD

FirstBank Ghana LTD, a subsidiary of FirstBank of Nigeria Limited Group, has been operating in Ghana for 29 years. It provides universal banking services to individuals and businesses through a network of 27 branches, four service points, and over 2,000

FirstMonie agents across the country. The bank employs more than 700 staff and continues to expand its reach and services. In 2013, FirstBank of Nigeria acquired 100% equity in the West Africa operations of International Commercial Bank, leading to the rebranding of the institution as FirstBank Ghana LTD with approval from the Bank of Ghana. As part of the 130-year-old FirstBank Group, the bank benefits from a strong regional presence in countries such as the UK, China, Democratic Republic of Congo, Guinea, Sierra Leone, Gambia, and Senegal. FirstBank Ghana remains committed to delivering reliable and innovative financial services while contributing to economic development in Ghana and beyond.

## THE BANK HOSPITAL

The Bank Hospital is a premier multi-disciplinary private healthcare facility committed to excellence in patient care and clinical outcomes. Based in Accra, Ghana, we offer cutting-edge medical services with modern facilities and advanced technology

to serve both local and international patients. Our dedication to quality is backed by dual accreditation: ISO 15189:2022 for medical laboratory excellence and COHSASA for healthcare facility standards. With a highly skilled team and a broad spectrum of specialized services, The Bank Hospital prioritizes compassionate, world-class healthcare, ensuring the best possible treatment experience for patients and their families.

## MIVAC TRAVEL AND TOURS LTD

MIVAC Travel and Tours Ltd is a Ghana-based, IATA-accredited travel agency renowned for its customer-focused and innovative travel solutions. With a strong passion for exploration and dedication to service excellence, MIVAC ensures each client

enjoys a smooth and memorable journey. The agency goes beyond just ticketing—serving as a trusted travel partner, advisor, and consultant. MIVAC offers a comprehensive range of services, including flight bookings, curated tour packages, visa assistance, and hotel reservations. By upholding the highest industry standards and tailoring services to individual needs, MIVAC continues to deliver exceptional travel experiences. Their commitment to excellence has made them a trusted name in Ghana's travel industry. For reliable and unforgettable travel planning, clients can reach MIVAC at +233 25 666 2508, +233 27 666 2464, +233 25 666 2464, or +233 20 169 7502. MIVAC Travel and Tours truly lives its motto: Seamless Travel, Unforgettable Memories.

## GHANA LINK NETWORK SERVICES LTD

Ghana Link Network Services Ltd (GLNS), established in 2001, is a Ghanaian company providing trade facilitation, revenue enhancement, and trade security solutions for public and private sector clients. Since 2021, Ghana Link has been the sole provider of Ghana's end-to-end customs clearance platform, operating in over 170 locations nationwide. In collaboration with Korea's Customs UNIPASS International Agency (CUPIA), Ghana Link introduced the Integrated Customs Management System (ICUMS), replacing multiple legacy systems. ICUMS streamlines cargo processing, tracking, and non-intrusive scanning at entry and exit points, serving as a national port community platform. GLNS offers electronic cross-border solutions, training, price verification, goods classification, risk management, and inspection services. The company is driven by values such as integrity, anti-corruption, confidentiality, and safety. Its vision is to become Africa's leading provider of cross-border trade technology. Recognized for its innovation and efficiency, Ghana Link has received prestigious awards since deploying ICUMS in Ghana.

## GASO PETROLEUM LIMITED

GASO Petroleum Limited is a leading provider of energy solutions, specializing in the supply of fuel, lubricants, and bunkering services across industries such as mining and retail. Trusted by top-tier clients like Tullow, Eni, AngloGold Ashanti, Goldfields, and Asante Gold, we offer inventory control, fuel monitoring, and on-site storage for seamless operations. Backed by strong HSEQ systems and ISO certifications, GASO champions excellence, innovation, and sustainability. Our success is powered by dedicated people and a deep commitment to the communities we serve. As we continue to grow, GASO remains focused on delivering reliable energy that drives progress and long-term impact.

## SOFTCARE FM MANUFACTURING LIMITED

Softcare FM Manufacturing Limited, established in 2009, is a leading Ghanaian company specializing in the production and distribution of baby and feminine hygiene products such as diapers, wet wipes, and sanitary pads. With a state-of-the-art manufacturing facility in Ghana, Softcare has expanded its reach to over 30 countries across Africa, Latin America, and Central Asia. Renowned for its commitment to quality, affordability, and innovation, the company has earned industry leadership status. In 2024, Softcare received the Brand of the Year Award at the National FMCG Awards and was ranked 6th overall—and 1st in manufacturing—at the Ghana Club 100 Awards. These honors highlight its excellence in governance, financial strength, and national impact. Softcare also plays a vital role in public health by participating in Ghana's National Technical Committee on Medical Devices. With a mission to improve lives through accessible hygiene solutions, Softcare remains dedicated to advancing public health and Ghana's development.

## ST JOHN'S HOSPITAL & FERTILITY CENTRE

St. John's Hospital & Fertility Centre, established on November 12, 2012, in the Ga North Municipality, began with just three beds and five staff. It has since expanded to over 30 beds and 130 professionals, offering both general and specialized healthcare.

With a vision to become a leading healthcare provider in Ghana—especially in women's and child health—the hospital focuses on delivering world-class medical care, clinical research, and training. Its mission emphasizes customer loyalty through highly trained staff. Services include obstetrics & gynecology, emergency medicine, pediatrics, surgery, internal medicine, urology, optometry, dermatology, as well as laboratory, pharmacy, immunization, and dietary services. Under the leadership of CEO Dr. (Mrs.) Maame Yaa Afriye, St. John's has received multiple awards for excellence. The hospital is committed to innovation in reproductive and general medicine and aims to evolve into an ultra-modern healthcare center. St. John's lives by its motto: The skill to heal... The heart to care!

## EPIROC EQUIPMENT GHANA LTD

Epiroc Equipment Ghana Ltd, a subsidiary of the Epiroc Group, is committed to delivering innovative and safe equipment, consumables, and services for drilling and rock excavation across West Africa. Our solutions cater to a wide range of applications,

including surface and underground mining, construction, well drilling, and geotechnical projects. Additionally, we provide world-class service and other aftermarket support along with advanced solutions for automation, digitalization, and electrification.

Epiroc Group, headquartered in Stockholm, Sweden, had revenues of SEK 63.6 billion in 2024, and employs nearly 19000 passionate employees collaborating with customers in over 150 countries. Established as a spin-off from Atlas Copco in 2018, the Group boasts a rich heritage dating back to 1873.

## HAPPY SUNSHINE COMPANY LIMITED

Happy Sunshine Company Limited, located in Ghana's Eastern Region, is a food manufacturing company known for tomato mix and hot pepper products. Its main offerings include Hondi tin tomato mix (4.5kg and 2.2kg) and Lavonce-branded items such as

tomato mixes, mackerel fish, and various pepper powders. As a trailblazer in Ghana's FMCG industry, the company focuses on food innovation to meet the demands of a growing, youthful population. With a strong nationwide sales presence, Hondi is popular in the catering sector for its taste and quality, while Lavonce caters to modern consumers with its convenient packaging. The company supports Ghana's School Feeding Programme and will launch the "GHC 1 DONATION" project in September 2025, further promoting education. "Love dey inside."

(Country Level)

## **MR. INDREN POOVAN CEO OF THE BANK HOSPITAL**

Mr. Indren Poovan, CEO of The Bank Hospital, has transformed the facility into Ghana's leading multidisciplinary private hospital in just three years. Under his leadership, the hospital earned COHSASA and ISO 15189:2022 accreditations—making it the only private hospital in Ghana with both. He pioneered digital transformation, expanded over 35 specialties, and implemented performance-driven systems that improved clinical governance and operational excellence.

Mr. Poovan also led brand repositioning efforts, making the hospital a top choice for medical tourism. His strategic foresight, focus on patient-centered care, and ability to build a high-performing team have set a new benchmark for healthcare leadership.

## **SAJID ALI KHAN, GENERAL MANAGER OF TANG PALACE HOTEL**

Sajid Ali Khan, General Manager of Tang Palace Hotel in Accra, Ghana, brings decades of international hospitality experience to his role. His visionary leadership has elevated the hotel's reputation locally and globally. Under his guidance, Tang Palace Hotel earned multiple honors, including 4-Star Hotel of the Year, and awards for Housekeeping Team, Front of House Team, Most Digitalized Hotel,

and Most Secure Hotel of the Year. In recognition of his exceptional leadership, Mr. Khan received a Lifetime Achievement Award for his contributions to Ghana's hospitality industry. Known for his meticulous attention to detail, he emphasizes personalized service and excellence in guest experiences. Beyond hotel management, he actively collaborates with industry peers to tackle challenges and promote growth in the sector. His unwavering commitment continues to position Tang Palace Hotel as a top destination for both business and leisure travelers in Ghana. Mr. Khan is recognized globally among the top 100 hotel general managers.

## DR. PAUL SEKYERE-NYANTAKYI

Dr. Paul Sekyere-Nyantakyi is a visionary physician and transformational leader in medical diagnostics with over 25 years of experience. A graduate of Randolph-Macon College (BSc, Magna Cum Laude) and The Johns Hopkins School of Medicine (MD), he completed his internship at Yale Medical School. Upon returning to Ghana, he founded several pioneering healthcare companies including MDS-Lancet Laboratories Ghana Ltd., Quest Healthcare, Quest Medical Imaging Ltd., and Wacrec Clinical Research Management. These institutions serve over 2,000 patients daily across more than 30

locations, leveraging advanced diagnostic and imaging technologies. Through his commitment to evidence-based medicine, Dr. Sekyere-Nyantakyi has revolutionized laboratory and radiological services in Ghana, enhancing healthcare delivery and accessibility. His work has earned him numerous accolades such as the Global Achievement Award from Johns Hopkins and the Most Respected CEO Award in Laboratory Services (2024). His vision continues to drive innovation, setting new standards in Ghana's healthcare system and positively impacting countless lives.

## ADWOA BOATEMAH ADU-SARKODEE, MANAGING DIRECTOR OF PHOENIX HEALTH INSURANCE LTD.

Adwoa Boatemah Adu-Sarkodee, Managing Director of Phoenix Health Insurance Ltd is a certified registered anaesthetist who rose to the rank of Deputy Chief Anaesthetist before joining the health insurance space. With a strong background in clinical care and leadership, she transformed Phoenix from a startup into a nationally recognized provider, developing innovative insurance products for underserved communities. Her Christ-centered leadership philosophy emphasizes

fairness, service, and perseverance. With over 25 years of experience in emergency medical services, pain management, health policy, and public health research, she has passion for maternal health and patient safety and remains committed to community health through advocacy, fitness, and donation campaigns. Her visionary leadership continues to shape Ghana's health insurance landscape with compassion, purpose, and lasting impact.
