TOTALENERGIES MARKETING GHANA PLC

TotalEnergies Marketing Ghana PLC is a leading energy company and an affiliate of the global TotalEnergies Group, providing innovative and sustainable energy solutions across Ghana. Listed on the Ghana Stock Exchange, the company is recognized for its

stability, transparency and commitment to operational excellence. TotalEnergies Marketing Ghana PLC operates an extensive network of 272 service stations nationwide, with many powered by solar energy to support its sustainability agenda. The company provides petroleum products, high-quality fuels, lubricants and renewable energy solutions to individuals and businesses across various sectors. It also maintains internationally recognized certifications in quality, environmental management and workplace safety. Beyond its operations, TotalEnergies contributes significantly to Ghana's economy by creating thousands of jobs and supporting youth empowerment, entrepreneurship, education, health and environmental initiatives through programs such as the Young Graduate Program and the Startupper of the Year Challenge.

SUNON ASOGLI POWER (GHANA)

Sunon Asogli Power (Ghana) Limited is Ghana's first successful Independent Power Producer (IPP) and one of the largest Chinese investments in the country. Jointly owned by Shenzhen Energy Group and the China Africa Development Fund, the

company operates a 560MW modern natural gas combined-cycle power plant that contributes significantly to Ghana's electricity supply. The company is committed to supporting Ghana's vision of becoming the energy hub of Africa through reliable, efficient and environmentally friendly power generation. Sunon Asogli Power is also investing in renewable energy projects, including solar power and solar-powered EV charging infrastructure, to support Ghana's green energy transition. Guided by strong safety and operational standards, the company has maintained an excellent safety record while contributing to community development through healthcare, education, infrastructure and disaster relief initiatives across Ghana.

GHANA LINK NETWORK SERVICES LTD

Network Services Ltd, commonly known as GLNS or Ghana Link, epitomizes innovation and excellence in trade facilitation and security. Established in 2001 under the legal framework of the Republic of Ghana, the company has evolved to become the

backbone of Ghana's customs clearance processes, offering comprehensive solutions that cater to both public and private sector needs. The company aspires to dominate the African continent as a leading provider of cross-border trade technological solutions. The aim is to harness cutting-edge technology and foster local expertise, thereby revolutionizing trade practices and enhancing economic growth across A

FRIMPS OIL COMPANY LIMITED

Frimps Oil Company Limited is a Ghanaian-owned Oil Marketing Company (OMC) incorporated in 2003 and licensed by the National Petroleum Authority (NPA). The company specializes in the distribution and marketing of petroleum products, including

Premium Motor Spirit (PMS), Automotive Gas Oil (AGO), Liquefied Petroleum Gas (LPG), lubricants, and kerosene. Headquartered in Ridge, Accra, Frimps Oil has established itself as one of Ghana's recognized indigenous petroleum companies with several fuel stations nationwide. The company's mission is to provide quality petroleum products through efficient distribution, modern technology, and excellent customer service while maximising stakeholder value. Its vision is to become a leading petroleum marketer in Ghana and West Africa. Frimps Oil also emphasizes integrity, accountability, financial discipline, and corporate social responsibility. Rev. Dr. Kwaku Frimpong leads the company and continues to expand its operations and service delivery across Ghana.

RAMOTH SERVICES LIMITED

Ramoith Services Limited is a fully Ghanaian-owned company established in 1975 to provide mine support services to the mining industry in Ghana and West Africa. Over the years, the company expanded into mining operations, including open-pit

mine management and tailings dam construction, before fully integrating into civil and geotechnical engineering in 1998. Today, Ramoith is recognized as a reliable provider of civil engineering, geotechnical engineering, mine support services, and plant and equipment leasing for the mining sector. The company has partnered with major organizations such as AngloGold Ashanti, Newmont Corporation and Chirano Gold Mines Limited. Ramoith has received several awards, including Contract Mining Company of the Year and Engineering/Construction Company of the Year at the Ghana-West Africa Business Excellence Awards.

FAREAST MERCANTILE CO. LTD (A DP WORLD COMPANY)

Fareast Mercantile Company Limited, a part of DP World's Market Access Consumer business, is a premier supply chain and distribution leader on Spintex Road, Accra. Operating "from factory floor to customer door," the company manages over 1,000

active SKUs for global giants like Unilever, Guinness, and Colgate-Palmolive. With 25,000 square meters of warehouse space, five regional hubs, and a dedicated 175-vehicle fleet, Fareast Mercantile reaches 300 delivery points across diverse retail channels. Processing one million cartons monthly with a 99.96% stock accuracy rate, their tech-enabled strategy sets the benchmark for Fast-Moving Consumer Goods (FMCG) distribution excellence in Ghana.

Manbah Gas Company Limited is a leading Ghanaian LPG distribution and energy services company operating for over 30 years. The company is recognized as one of the largest privately owned LPG suppliers in Ghana, providing reliable gas solutions for

households, businesses, industries, hotels, restaurants and institutions nationwide. It operates an extensive network of service stations and delivery systems to ensure consistent and safe LPG supply across the country. Manbah Gas is known for its strong focus on safety, customer service and operational efficiency, offering LPG sales, installations, bulk supply and related energy services. The company has built a reputation for reliability and nationwide coverage, ensuring customers have access to clean and affordable energy at all times. With a commitment to safety standards, innovation and service excellence, Manbah continues to play a key role in Ghana's energy and LPG distribution sector.

FOREWIN GHANA LIMITED

Forewin Ghana Limited is a distribution & marketing company operating in best choice of products that can meet their requirements. In 1993, a group of investors led by Ghassan Yared established the first business operation in Ghana under the name

of Forewin Ghana Limited that became in a short period of time a leading marketing and Distribution Company in the market. Driven by an entrepreneurial spirit and encouraged by the strong potential of the Ghanaian economy and the political stability of the country, the investors were motivated to develop new businesses in different industries thus venturing into industrial production, real estate development, free zone operations

EPIROC EQUIPMENT GHANA LTD

Epiroc Equipment Ghana Ltd, a subsidiary of the Epiroc Group, is committed to delivering innovative and safe equipment, consumables, and services for drilling and rock excavation across West Africa. Our solutions cater to a wide range of applications,

industries. The training program covers both technical and soft skills, offering a comprehensive curriculum in mechanized mining engineering and operations. Key components of the training include the use and handling of anchors and related strata control tools, stressing equipment, grout equipment, portable drilling equipment, drill bits, drill rods, reamers, wire meshing, and shotcrete application. By equipping trainees with industry-relevant knowledge and hands-on skills, the entity plays a crucial role in workforce development and supports the demand for skilled labor in energy and extractive industries. Its graduates contribute significantly to operational efficiency and safety in mining and drilling environments.

MAURYA EDUCATION LIMITED

Maurya Education is a pioneering education and skill-development organization dedicated to empowering the next generation through innovative learning solutions. Established in 2007, the company has consistently championed academic

excellence, cognitive development, and future-ready skills across diverse learning communities. Through globally recognized programs such as UCMAS, STEMROBO, Coding, Robotics, Artificial Intelligence, and STEM education initiatives, Maurya Education has positively impacted thousands of students and educators. With a strong commitment to nurturing creativity, critical thinking, and leadership, the organization continues to bridge the gap between traditional education and emerging technologies, shaping confident learners and responsible global citizens.

WEALTHY TECHNICAL SOLUTIONS LIMITED

Wealthy Technical Solutions Limited provides trusted engineering services with over a decade of experience. The company specializes in asset integrity management, process automation, industrial control systems integration, energy optimization,

instrumentation, and installation services. Partnering with Raybond Technical, Wealthy Technical Solutions combines European manufacturing expertise with deep local market knowledge to deliver world-class, custom automation and engineering solutions. Serving critical industries—including oil and gas, mining, cement, and manufacturing—the company focuses on international safety standards, sustainability, and a customer-first approach to boost industrial efficiency, improve productivity, and reduce downtime.

HAPPY SUNSHINE CO. LIMITED

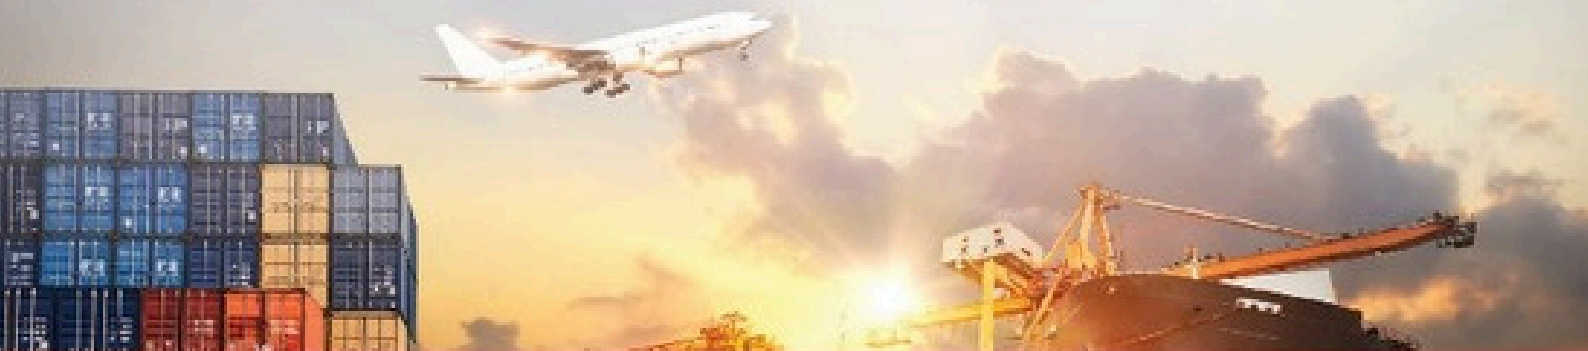

Happy Sunshine Company Limited is a Ghanaian food manufacturing company established in 2016, specialising in the import of Lavonce, Tam Tam, and Hondi tomato paste brands. Located in Kyekyewere in the Eastern Region of Ghana, the

company operates on a 20-acre industrial facility with tomato mix production, pepper powder workshops, warehouses, and employee accommodation. Happy Sunshine focuses on producing high-quality, affordable, and innovative tomato products for households across Africa. Its vision is to become Africa's leading provider of tomato products while maintaining strong values of commitment, consistency, loyalty, and employee development. The company also supports community development through its CSR initiatives, including educational projects and school infrastructure support.

KEDA GHANA CERAMICS COMPANY LTD (TWYFORD)

Twyford is one of the world’s leading tile brands and manufacturers, widely recognized across Africa, Europe, the United States, South America and Latin America for producing high-quality tiles. Since 2016, the company has established

factories in several African countries, including Ghana, Kenya, Tanzania, Senegal, Zambia, Cameroon and Côte d’Ivoire, strengthening its reputation as a symbol of “Made in Africa” excellence. Twyford operates in more than 100 cities across over 30 countries, serving millions of customers through its strong production capacity and distribution network. Guided by the slogan “Better Tiles, Better Life,” the company is committed to providing affordable, durable and stylish tiles that improve homes and communities. Twyford also emphasizes responsible business growth, customer satisfaction and sustainable development while creating comfortable and beautiful living spaces for families across the world.

ATWIMA KWANWOMA COMMUNITY BANK PLC

Established in 1983 and headquartered at Pakyi No. 2, Atwima Kwanwoma Community Bank PLC (AKRBank) is a leading, wholly Ghanaian-owned rural bank with 11 branches. Renowned for its strong corporate governance and operational efficiency, the bank

actively mentors other institutions and is a member of the Ghana Club 100. AKRBank has earned numerous accolades, including six CIMG Rural Bank of the Year awards. Driven by innovation, the bank offers modern digital solutions like mobile banking and USSD services. Financially, AKRBank recorded an impressive 119% profit growth from 2023 to 2024 while maintaining one of the industry's lowest cost-to-income ratios.

MINING TOOLS GHANA (PTY) LTD

Mining Tools Ghana (Pty) Ltd is a wholly indigenous Ghanaian company providing mining engineering, equipment supply, labour hiring, consultancy and technical training services to the mining, oil and gas, quarry and construction sectors.

The company supports both underground and surface mining operations through partnerships with global OEMs, supplying machinery, tools, engineering solutions, lubricants, coolants and greases to industry players across Ghana. Mining Tools Ghana is strongly committed to local content development through job creation, youth training, infrastructure support and community development initiatives. The company also prioritizes health, safety, environmental protection, quality assurance and ethical business practices in all its operations. With offices located in Obuasi, Kenyasi, Tarkwa and Accra, Mining Tools Ghana continues to build a strong reputation as a reliable and customer-focused partner in Ghana’s mining and industrial sectors.

MILIFE INSURANCE

MiLife Insurance Ltd. is a leading life insurer in Ghana, and majority-owned by LeapFrog Investments, a globally recognized private equity firm focused on high-growth businesses in emerging markets that deliver strong financial returns and

lasting social impact. Founded in 2005, miLife has grown from 17th to 5th position in the industry, achieving over half-a-billion in premium income by the end of 2025. Known for innovation and inclusion, miLife delivers accessible and affordable products through 29 branches, 800+ agents, and telco partnerships with MTN and Telecel. With a customer-centric, tech-driven model, miLife is shaping the future of inclusive insurance in Ghana.

PRIORITY INSURANCE LTD

Priority Insurance Company Limited is a wholly Ghanaian-owned non-life insurance provider licensed by the National Insurance Commission (NIC). As a subsidiary of the prominent Tobinco Group of Companies, the firm was backed by an initial 5 million

dollar investment and has expanded to over 32 branches nationwide.

Priority Insurance is dedicated to delivering innovative, reliable, and client-centric insurance solutions. Guided by core values like integrity, professionalism, and trust, the company focuses on utilizing technology, maintaining a highly skilled workforce, and promptly settling legitimate claims to become a leading non-life insurance provider.

SOCIAL SECURITY AND NATIONAL INSURANCE TRUST

Social Security and National Insurance Trust is a statutory public institution responsible for administering Ghana's Basic National Social Security Scheme under the National Pensions Act, 2008 (Act 766). It manages the first tier of the

national pension system, providing retirement, invalidity and survivor benefits to members. SSNIT registers employers and employees, collects contributions and maintains pension records nationwide. It also invests pension funds to ensure long-term sustainability and growth system. The Trust operates through a nationwide network of offices and digital platforms, improving accessibility and service delivery. Its mission is to provide secure and reliable retirement income for Ghanaian workers through efficient social security administration.

HEALTHTECH GHANA LIMITED

HealthTech Ghana Limited is a premier medical technology company dedicated to advancing healthcare delivery through innovation and quality. Headquartered in Gbawe, Accra, we specialize in the supply, installation, and maintenance of state-of-the-art medical equipment across diverse specialties, including critical care, cardiology, oncology, and diagnostic imaging. Partnering with global leaders like Philips, B. Braun, Kyoto Kagaku, amongst others, HealthTech provides comprehensive solutions ranging from imaging equipment, Infusion systems to hospital furniture and medical simulators. Driven by values of compassion and excellence, we support Ghana's healthcare infrastructure by offering expert technical support and project management, ensuring patients receive the highest standard of care.

LYNCH MEDICAL SERVICES LTD

Founded in 1998, Lynch Medical Services Limited (LMS) is a trusted Ghanaian provider of medical laboratory equipment, diagnostics, and biomedical engineering services. Under CEO Dr. Maurice Nyamekye, LMS delivers cutting-edge technology and exceptional after-sales support to top institutions like Korle-Bu Teaching Hospital and UGMC. Through exclusive partnerships with global leaders like Mindray, LMS enhances nationwide diagnostic capabilities. Their commitment to quality assurance and innovation earned them Medical Supplier of the Year and Most Equipped Laboratory Centre at the 2024 Ghana Medical Diagnostics Excellence Awards, solidifying their impact on healthcare.

THE BANK HOSPITAL

The Bank Hospital is a leading multi-disciplinary private healthcare facility in Ghana focused on delivering high-quality, patient-centered medical care. Located in Cantonments, Accra, the hospital is equipped with modern technology and state-of-the-art medical facilities designed to provide excellent clinical outcomes for both inpatients and outpatients. The hospital offers a broad range of specialized healthcare services, including emergency care, radiology, laboratory services, surgery, maternity care, pediatrics, renal care and advanced diagnostic services. The Bank Hospital is recognized for its experienced team of medical specialists, 24/7 emergency services and commitment to professionalism, innovation and compassionate healthcare delivery. Its modern facilities include intensive care units, executive suites, neonatal ICU, theatres and catheterization laboratories, making it one of Ghana's leading private healthcare institutions. Guided by its vision to become the healthcare provider of choice, the hospital continues to provide reliable and comprehensive healthcare services to patients across Ghana and beyond.

JL PROPERTIES LIMITED

JL Properties Limited was founded on a bold vision: transforming underutilized land into thriving residential communities. From redeveloping Accra's former landfill site into a desirable housing estate to expanding across key locations, the company has

consistently delivered affordable, quality homes for Ghana's growing middle market. Its developments are designed as purely residential communities, offering residents security, comfort, and tranquility. Today, JL Properties provides both standalone homes and apartments tailored to modern lifestyles and investment needs. Guided by strategic locations, customer-focused designs, and accessible pricing, the company continues to build sustainable communities and shape Ghana's urban future.

TAKORADI MALL LIMITED

Takoradi Mall Limited operates the premier retail and commercial shopping mall in Ghana's Western and Central Regions. Located at 27 Independence Avenue in Takoradi, the facility features over 74 retail outlets, office spaces, conference facilities, and an

outdoor event center. Anchored by prominent local and international brands, the mall serves as a modern hub for regional retail growth, entertainment, and business development. Furthermore, Takoradi Mall Limited demonstrates a strong commitment to environmental sustainability through its energy-efficient, EDGE-certified building design, providing a safe and convenient experience for all visitors.

NETIS GHANA

NETIS Group is a pan-African leader in telecommunications and energy infrastructure, with over 15–17 years of experience in designing, building, and maintaining high-performance network solutions. The company operates in more than 16–17 countries

across Africa, including Ghana, and provides integrated services such as telecom tower construction, fiber optic deployment, managed services, and energy solutions. NETIS Group supports telecom operators and industrial clients with network planning, installation, commissioning, maintenance, and optimization of infrastructure. It is also active in delivering energy-efficient and sustainable power solutions to improve network reliability and reduce outages. The company is known for its strong operational standards, focus on safety and quality, and commitment to sustainable development. Through its expanding presence across Africa, NETIS continues to play a key role in advancing digital connectivity and energy infrastructure on the continent.

ANNANDALE GHANA LIMITED

Annandale Ghana Limited (AGL Gas) is the leading Liquefied Petroleum Gas (LPG) Oil Marketing Company in Ghana, boasting over two decades of experience. The company drives Ghana's energy transition by promoting clean, safe, and efficient cooking fuel alternatives. As a comprehensive, one-stop solution provider across the LPG value chain, AGL Gas specializes in sales and marketing, bulk distribution, safety audits, and engineering services. Their integrated approach allows them to deliver reliable energy solutions to diverse market segments nationwide while strictly maintaining the highest industry standards for safety and service excellence.

HYUNDAI MOTORS & INVESTMENTS GHANA LTD

Hyundai Motors and Investment Ltd is the authorized dealer of Hyundai vehicles in Ghana and a leading player in the country's automotive industry. Operating across major cities including Accra, Tema, Kumasi, Takoradi and Tamale, the company provides a wide range of vehicles such as SUVs, sedans, hatchbacks, buses and commercial vehicles, alongside spare parts sales and professional servicing. A major milestone for the company is the establishment of its modern vehicle assembly plant in Tema, which supports local manufacturing, job creation and Ghana's industrial development. Beyond automotive sales and servicing, Hyundai Motors and Investment Ltd is committed to corporate social responsibility through community development, education and environmental initiatives. The company has received several awards for excellence, innovation and customer service, reinforcing its reputation as one of Ghana's most trusted automobile brands.

NATIONAL PENSIONS REGULATORY AUTHORITY

National Pensions Regulatory Authority (NPRA) is a statutory public institution established under the National Pensions Act, 2008 (Act 766) to regulate and monitor Ghana's three-tier pension scheme and ensure the effective administration of all pension arrangements in the country. The Authority's core mandate is to safeguard retirement income security by ensuring compliance, proper governance and efficient management of pension funds across both public and private sectors. NPRA is responsible for registering and supervising pension schemes, trustees, fund managers and custodians, while also issuing guidelines for pension investments and enforcing industry standards. It promotes public education on pensions, investigates complaints, and advises government on pension policy and retiree welfare. Guided by its vision of ensuring retirement income security and its mission to regulate pensions effectively, NPRA plays a key role in strengthening Ghana's financial system and protecting the long-term welfare of workers and pensioners nationwide.

ABSA BANK GHANA

Absa Bank Ghana is one of Ghana's leading financial institutions and part of the Absa Group Limited, a major African financial services group operating across multiple countries in Africa. The bank provides a wide range of financial solutions, including retail banking, business banking, corporate and investment banking, and wealth management services. Known for its customer-focused approach and digital banking innovation, Absa Ghana is committed to delivering local solutions that support economic growth and financial inclusion in Ghana. The bank is guided by its purpose of "Empowering Africa's tomorrow, together... one story at a time," and continues to invest in youth empowerment, entrepreneurship and community development initiatives. Under the leadership of Edward Nartey Botchway, Absa Ghana maintains a strong reputation for operational excellence, innovation and sustainable banking services while contributing significantly to Ghana's financial sector development.

DRIVER AND VEHICLE LICENSING AUTHORITY

Established by Act 569 in 1999, the Driver and Vehicle Licensing Authority (DVLA) is the statutory body mandated to promote high driving standards and ensure vehicle roadworthiness across Ghana. With 38 operational offices and a Prestige Centre, the Authority modernizes driver licensing and vehicle registration through secure technology. Under the leadership of Chief Executive Mr. Julius Neequaye Kotey, the DVLA is driven by its mission to enhance national road safety and environmental sustainability. Guided by core values of respect, integrity, excellence, customer-centricity, and diversity, the Authority implements global best practices to deliver premium public services.

ENTERPRISE INSURANCE LTD

Enterprise Insurance Company Limited is Ghana's oldest general insurance provider and a subsidiary of Enterprise Group PLC. Renowned for its immense financial strength and reliability, the company holds a prestigious AAA rating from GCR South Africa, reflecting an exceptionally high claims-paying ability.

As a pioneer in customer-focused solutions, Enterprise Insurance is celebrated for its Same Day Claims Payment initiative. It stands as Ghana's largest claims payer and the only rated member of the CIMG Hall of Fame. Beyond insurance, the company actively supports nationwide healthcare, road safety, and education initiatives.

AUTOMOBILE INDUSTRIES LIMITED (CHANGAN AUTO)

Automobile Industries Ltd (CHANGAN AUTO), a subsidiary of the Stallion Group, is a prominent player in Ghana's fast-evolving automotive industry. The company focuses on providing high-quality, high-spec vehicles at competitive prices, specifically targeting Ghana's growing middle class and upwardly mobile consumers. ALL implements a hybrid assembly and import strategy, offering both locally assembled manual transmission models and fully imported automatic variants. To support its expanding customer base and build long-term brand trust, the company invests heavily in local value addition and after-sales infrastructure, highlighted by its state-of-the-art mechanical, electrical, and bodywork service center in Tema.

PROCESS FLOW FOR VEHICLE RE-REGISTRATION

**MR. JULIUS NEEQUAYE KOTÉY
 CEO OF DVLA**

Julius Neequaye Kotey is a Ghanaian public administrator and the Chief Executive Officer of the Driver and Vehicle Licensing Authority (DVLA). He was appointed Acting CEO in 2025 and has since led significant reforms aimed at modernising Ghana's driver and vehicle licensing system. His leadership has focused on digital transformation, improved service delivery and enhanced road safety compliance across the country. Under his tenure, DVLA has introduced key innovations such as 24-hour service operations, digital licensing systems, and improved vehicle registration processes to reduce delays and increase efficiency. The Authority has also expanded outreach services and strengthened compliance measures to improve accountability and reduce fraud in the system. He is widely recognized for championing reforms that position DVLA as a more efficient, technology-driven public institution contributing to Ghana's transport and road safety development agenda.

**DR. ABDUL-SAMED TANKO
 CEO OF UGMC**

Abdul-Samed Tanko is a distinguished Ghanaian cardiologist and healthcare leader currently serving as the Chief Executive Officer of the University of Ghana Medical Centre, appointed on 6 May 2025. He previously served as Head of the Cardiology Division at the National Cardiothoracic Centre, Korle-Bu Teaching Hospital. Dr. Tanko's medical journey began in Ghana and continued in Cuba, where he obtained his medical degrees, followed by advanced specialization in Germany and further postgraduate training in the United Kingdom in cardiology and heart failure. He has held several clinical, academic and leadership roles in Ghana and abroad, contributing significantly to cardiovascular medicine and medical education. He is a member of several professional bodies, including the Ghana Medical Association and international cardiology societies, and is widely recognized for his expertise in cardiovascular health, research contributions and strong leadership in Ghana's healthcare system.

**MR. CHRIS BOADI-MENSAH
CEO OF NPRA**

Chris Boadi-Mensah is the Chief Executive Officer of Ghana's National Pensions Regulatory Authority (NPRA), with over two decades of leadership experience in the insurance, finance, and risk management sectors. He holds an MBA in Finance and Risk Management from the Netherlands Business School and an MSc in Economic Policy Management from GIMPA, complemented by professional qualifications from the Chartered Insurance Institutes of the UK and Ghana.

A Chartered Insurance Practitioner,

Chris has a distinguished record in policy formulation, investment oversight, and institutional development—strengthening financial systems and safeguarding pension and insurance funds against market and operational risks. Before joining the NPRA, he served as CEO of Byllwych Insurance Brokers Ltd. He currently chairs the Board of the National Insurance Commission and serves on Ghana's Financial Stability Council, contributing to the country's broader financial sector resilience and reform agenda.

**MR. HENRY KWEKU YANKSON
CEO, ANKOBRA WEST RURAL BANK PLC)**

Henry Kweku Yankson is a prominent Ghanaian banking executive serving as the Chief Executive Officer of Ankobra West Rural Bank PLC, a leading rural bank in Ghana's Western Region. Under his leadership, the bank has significantly enhanced its financial performance, operational efficiency, and customer service delivery. Yankson has expanded tailored financial solutions, including loans, savings, and insurance, to support small businesses, farmers, and

community enterprises. Recognised for driving innovation and digital banking growth, he has solidified the bank's reputation as a trusted partner committed to sustainable community development and financial inclusion across its operations.
